## COPELAND WINS "INQUISITION"!

Congratulation go out to Rick Copeland for his impressive AGE OF RENAISSANCE win. And thanks to Mark Frueh for a fine job of GMing. This means that RUSSIAN CIVIL WAR starts this time. The initial draws are on p 18. Due next time are any trades.

The other AGE OF RENAISSANCE game should finish in the next few months, so sign up now for the sequel if interested. Likewise the 1830 game could be over in Ron Fisher decides to go bankrupt. Chuck Hanna has volunteered to run the next 18xx, so let him know your druthers. We have a call for a concession to Babylon in ADV CIV so that too could end soon.

### STANDBY ALERT:

Heath Gardner has NMR'd.

"Boris XIII": Austria

BALKAN WARS: Serbia

MAGIC REALM: Fern & Xyla (two Woods Girls)

Interested parties should send in orders for each position they are interested in. If the present player again fails to submit orders on time, a random drawing will be held.

### BORIS'S BULLETIN BOARD

**THOUGHT FOR THE MONTH:** "In fact it's the view of the more thoughtful historians, particularly those who have spent time in the same bar as the theoretical physicists, that the entirety of human history can be considered a sort of blooper reel. All those wars, all those famines caused by malign stupidity, all that determined, mindless repetition of the same old errors, are in the great cosmic scheme of things only equivalent to Mr Spock's (sic) ears falling off." ---Terry Pratchett

Zine Register #28 is out. ZR is an annual review of the gaming (mostly DIP) zines in North America and a few from Europe, and, as such, is one of the two prime sources of where to play what. Get your copy by sending Michael Lowery (address on p #9) \$2--better yet, send another \$2 and get a manilla envelope full of last year's zines. Tell him "Boris sent you."

Tis time to register for the World Boardgaming Championships (nee AvalonCon) to be held 27 July - 1 August in Hunt Valley, MD. See the website at [www.bpa.nu](http://www.bpa.nu) for details or write BPA/WBC, 1541 Redfield Rd, Bel Air, MD 21015-5739.

### BOOS & KUDOS

This month's Madame Bolduc Press Excellence Award (& free issue) goes to Dave Anderson for his "Vote Karrienko" article in KREMLIN..

This month's Ms Nar Super-Suds Bomb is lobbed at Dave Anderson for whining in BALKAN WARS.

## TWO CRUSHED!! Empire in Peril!

Spring 1987

XII  
1998i

**ERRATA:** French moves [A Pie-Tus] & [A Mar-Pie] failed. France has 7 centers and 7 units so may not build.

**MINAS MORGUL:** Austria and Russia continue to go at it toe-to-toe, each obliterating one unit of the other. The balance should be tipping towards the Tsar with the arrival of German and French forces to threaten the Austrian home centers. England would appear to be Wormtongue's sole ally as Lord Jack nibbles away at the Russian periphery.

### TROOP MOVEMENTS

Austrian A RUM retreated to BUD. Russian F SMY retreated to SYR. Austria tears A TUS.

Due next time are orders for the retreats, and Fall 1907 and Press. Ms Nar craves Press!

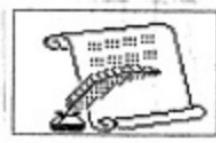

### EMBASSY BEAT

**ST PETERSBURG:** The Russian court was not impressed by the latest machinations of the Austro-Hungarians. The Tsar's spokesman was withholding further comment until such time as all forces were removed from Russia. Preferably by force.

### BORIS WORLD PRESS REVIEW

**London Times:** The British Navy, languishing long in th scuppers of our home ports, has announced that they are on a mission of mercy for the Liverpool Ladies Sewing Circle. It seems that the ladies have developed a taste for chilled gin with their afternoon tea. Unfortunately, reliable refrigeration has yet to be perfected by the Royal academy of Science, Engineers, and Other Buffons. therefore, the Navy is sending an expedition to Norway to find icebergs to tow to Liverpool where the icebergs will be broken into small pieces for the ladies pleasure. The *HMS Titanic* (which is being used as a model for a planned *Titanic* cruise ship) will lead the fleet. Good hunting, fishing, and gin sipping to our brave tars.

**Potsdam Poop-Sheet** (a military weekly newspaper and fish-wrap): Having struck a deal...no, make that arranged alliances with the Limeies, Frogs and the Mad Russian our heros, the Hordes of Huns, swarmed to the southeast to confront the abominable Austrians in their home lair; a poor choice for the fleet in Helgoland Bight who promptly ran aground on the cost of Kiel and a mad race ensued to see if the tides would float the ships off the shores before the beer floated the crews off the ships. Our brave eastern army advanced into Austrian territory to bring the war to Wormtongue himself while the southern army, finding discretion the better part of valor (and not wanting to miss the Spring version of October Fest in Munich) gallantly supported of new French allies into Tyrolia ("You go ahead Pire, I got your back-door covered")

## RIOTS IN FRANCE!! Russians Roll!

Fall 1984

XIII

1998Q

**KLENDATHU:** Archduke Andrew has assumed command of the Austrian forces, but it may well be too late. The Tsar and King David should have little difficulty mopping up and then dispatching the surrounded Sultan. Can the West mount a united front against the impending Russian Steamroller? Can Italian fleets mount an eventual credible counterthreat? Whoever wins the French elections may well hold the fate of Europe in his hands.

### TROOP MOVEMENTS:

### EMBASSY BEAT

London: In light of the Royal Navvy's crushing defeat off the coast of Zeeland, His Majesty would like to re-open diplomatic relations with the Kaiser and start considering concessionary options. In other matters, King Christopher would like to congratulate his Russian counterpart for a fine Westward front. His Majesty's prayers also go to the missing Archduke whom the King counted as a personal friend. In his regular public address he could only choke through his tears, "We all miss him greatly."

Italy-World: Yesterday Dec 7, 1903 -- we were --OOPS, wrong speech. Italian troops started organizing relief efforts for the Albanian refugees pouring out of Kosovo.

With the help pouring out of VEN, we also hope to relieve Austria of TRI!

In the Spring of '04 we hope to have direct army provided relief. Direct to the Albanians in Serbia itself, and possibly Bulgaria as well!!

## BALKAN WARS VI SERBS SLEEP, GREEKS NOD! Spring 1914

1998J  
pb08

**CLIFFHOME:** Rumania and Turkey continue to run amok, clobbering a prostrate Bulgaria and roughing up hapless Albania. The Greeks have been sipping too much uzo as they can't seem to remember where their units are. The Serbs continue their silent form of suicide.

### TROOP MOVEMENTS

Bulgarian A SAL retreats to PLO and A VAR to KOL. Bulgaria disbands A KOL, F THR & F SBS. Greece is NDR so GM disbands F TRI. Rumania builds A CLU & A DUB. Serbia is NBR. Turkey builds F CYP & F RHO.

**ALBANIA** (McCabe): [A Nis S A Tir]r-???, [A Tir S GRE A Ept-Val][nsr], A Bos H;

**BULGARIA** (Anderson): [A Mac S A Plo], [A Plo S A Mac]r-???

Orders in brackets fail: amb = ambiguous order, d = unit destroyed due to lack of valid retreat; imp = impossible; nbr = no build received, ndr = no disband received, nrr = no retreat received; nsr = unit not so ordered; nsp = no such place; nsu = no such unit; otb = off the board; otm = unit on the move; (u) = unit unordered.

Albanian A NIS must retreat otb or to MON, MTJ, or SOF. Bulgarian A PLO must retreat otb or to ARD.

A Rumanian/Turkish draw has been proposed. One or more "No" votes will defeat the motion.  
**NMR** = Yes, **NVR** = abstain (effectively a "yes").

Due next time are votes, orders for the retreats, builds/tears and for Fall 1914.

### PRESS:

**BUL-World:** This game is unbalanced in favor of Rumania and Greece to start. Rumania starts with two centers to easily build in CLU & DUB, Greece gets MAL & CRE. The only reason Greece is doing poorly this game is that it was misplayed after Spring 1912. If he had continued expanding up the coastline of Greece, i.e., VAL via COR, or try to muscle his way into Turkey. It again would have been a race between Rumania and Greece.

As it is, because, I helped Turkey back into the game and me shifting to attack Greece and trying to defend the little power of Serbia in NIS against Rumania is what brought about the board as it now stands with it being a T/R race to 14 instead the usual G/R race. This is my endgame statement.

**GM-BUL:** In case you didn't notice, this is a DIPLOMACY variant. While Greece and Rumania have the initial advantages you mention, Bulgaria has an additional unit at start. And diplomacy rules! By the way, aren't you forgetting the Turkish penchant for NMRing?

R to T: Nicely done.

R to A: Sorry.

T-G: Oh, we're out here, alright.
